Medical Statements

sept. 27, 2003

Shara,

Faxing 8 pages. (cover sheet makes 9)

These represent additional medical bills and are not duplications of any sent in the previous fax.

Also included for your records is the receipt showing Tom's payment of \$2500.00 to St. Joseph's Hospital.

I will try to get additional statements fax'd to you as soon as they arrive. Not sure how many are yet to come for services already rendered.

Incidentals such as prescription meds, support brace, etc. are insignificant at this point....totalling something like \$90-100...so these are not included. I mention this only as another medical expense detail in case the cost of such items should continue to mount and become problematic.

Dr. Moore's office called Friday ... said Dr. Seay (oncologist) would be contacting Tom to set up appointment. We expect to hear from him Monday.

Tom is to have a "fresh" chest xr and take results with him for follow-up visit with Dr. Moore on Oct 7th.
